

Quinte Health Care
FM Physicians – Trenton Memorial Hospital
ER & FM Physicians – North Hastings Hospital

Quinte Health Care (QHC) is a four hospital corporation that provides primary and secondary services to a diverse catchment area of approximately 150,000 people in Hastings and Prince Edward Counties and the southeast portion of Northumberland County. There are currently 257 beds across the four sites of QHC. Located on the beautiful Bay of Quinte in southeastern Ontario, the region offers a superb lifestyle, economics, recreation, and a professional environment to make Quinte a great place to live and work. For more information and a map of the area, please visit: www.qhc.on.ca.

OPPORTUNITIES AT QHC

Trenton FM Physicians: The Department of Community Family Medicine at QHC is seeking additional family physicians to join their team at our Trenton site. Responsibilities include: inpatient care, orphan patient care and call obligations. The department has an innovative call model which includes hospitalists work as well. Physicians enjoy full specialty support and access to state of the art diagnostic equipment including an onsite multi-slice CT scanner with a Picture Archiving and Communication System (PACS) and an MRI at Belleville General. Physicians have the opportunity to join a family health team. Additionally, the community has established the Brighton- Quinte West Medical Centre which offers a turn key work environment for interested physicians. Having 33 inpatient beds, QHC Trenton Memorial offers primary and some secondary care to the residents of Brighton and Quinte West and is the district centre for ambulatory surgery. For more information and a map of the area, please visit: <http://www.quinte.on.ca/>.

North Hastings ER & FM Physicians: QHC is also recruiting for an FM and ER Physicians to work at our smallest and most rural site in North Hastings. Our state-of-the art facility is located in the beautiful town of Bancroft in a Health Care Campus which also includes a Long Term Care Facility, a Satellite Dialysis Clinic, Public Health office, CCAC on site, as well as other Community Care in the building. The town of Bancroft has a permanent population of 3,800, although it can draw over 40,000 residents in the busy summer months and it services a catchment area of 13,000 year round. Bancroft has become a four season's playground! To learn more about the community please visit: www.north-hastings.com. Physicians can enjoy comprehensive ER medicine in a rural setting. The North Hastings ER department has over 14,000 visits annually. QHC NH offers flexible scheduling for Emergency Shifts, the ability for Physicians to manage their own inpatients, the opportunity to educate/mentor Medical Students from Queens University or the University of Ottawa, educational opportunities offered on site (ACLS, PALS etc) as well as a highly trained and skilled group of nurses and support staff.

Remuneration: A variety of payment options are available for either full-time or part-time work. Additional incentives available through the Northern and Rural Recruitment and Retention Initiatives, which provides up to \$101,000 paid over 4 years.
